

ECE (INDIA) Energies Private Limited

Portable Traffic Signal

OPERATION:-

ECE India make Portable Traffic Signal works for safety of vehicles at road crossing . Our Portable Traffic Signal operates on solar and if solar fails AC charging provision is provided . Easily movable from one place to another place .

BENEFITS:-

- LED for Low power consumption
- Maintenance Free Operation
- Proven High Efficiency and Reliability
- Low Installation Cost
- No Damage to the Surrounding Environment
- Required less space
- Low CAPEX & OPEX.

APPLICATIONS:-

On all kind of Road crossing, temporarily arrangements during road construction.

TECHNICAL SPECIFICATIONS:-

Product Code	ECE-PTS-RAG-S
Controller	Microcontroller BASED FOR UP TO 5 ROAD
Input	Solar & 230 V AC
Protection -	Fire Raterdant,Glass Epoxy ,Fr4 Printed Circuit, Board With protective cover and plain polycarbonate lens
Surge Protection	Built in Regulated Power supply with surge suppressor & over current / over voltage Protection
Protection	Revers / Over voltage Protection for Battery.
Storage Temp	0°C to 75°C
Operating Temp	0°C to 55°C
Humidity	95 % at 40°C (Non Condensing)
Lamp Head	LED MS Signal Aspects RED / Amber/ Green Colour.
